

Contestants will start back stage. When the emcee says Contestant Number 1, Sam Smith, contestant will then proceed to X1. When the emcee starts talking, contestant will go to X2, pause and do a figure 8 (starting in the direction the arrow is pointing, 3) and end at X4. The emcee will ask the contestant if they are ready for their speech or are they ready for the pop question. Emcee will meet you at X5. Contestant will give their speech or answer their pop question at X5 (do not move from that spot). Once finished, the emcee will get the microphone from the contestant. Emcee will say 'Thank you' and the contestant will circle off. The walk for casual wear and formal wear is the same. Miss Contestants will have a different modeling pattern for the Fitness Wear.
